

HELP PROMOTE WATER AND PEACE

“Promoting Security through Equitable Policy, Governance and Technology” Drexel University, Behrakis Hall — April 1, 2020

Get involved with Global Water Alliance (GWA) and join the fight for equitable water practices at the 2020 Water and Peace Conference.

Why Sponsor?

Supporting the GWA Water and Peace Conference will expose you to an expanding network of WASH professionals around the world. By sponsoring the conference, attendees and members of the GWA network will:

- Acknowledge you as an ally in solving WASH issues
- Highly consider your organization for future business contacts
- Remember your organization’s brand, logo, and mission

What is the Global Water Alliance?

GWA is a nonprofit organization committed to increasing access to safe drinking water, sanitation, and hygiene (WASH) services around the world. Through extensive field work and partnerships, and by hosting regular conferences, seminars and symposia, we reach hundreds of thousands of people annually who share our goal of creating a world free of suffering from water- and sanitation-related disease.
