

**Global Water Alliance 17<sup>th</sup> Annual Conference**

***Nature-based Solutions for Water, Sanitation, and Hygiene (WaSH): Resilience for Humans and Nature***

**October 16, 2024  
Philadelphia, PA**

**Why sponsor?**

Supporting the GWA Annual Conference will expose you to an expanding network of WaSH professionals around the world. By sponsoring the conference, attendees and members of the GWA network will:

- Acknowledge you as an ally in solving global WaSH issues.
- Highly consider your organization for future business contacts.
- Remember your organization’s brand, logo, and mission.

**What is the Global Water Alliance?**

GWA is a nonprofit organization committed to increasing access to safe drinking water, sanitation, and hygiene (WaSH) services around the world. Through extensive fieldwork and partnerships, and by hosting regular conferences, seminars, and symposia, we reach thousands of people annually who share our goal of creating a world free of suffering from water-and-sanitation-related diseases.
